March 17, 2020

Dear BHS Members,

Based on recent developments concerning the Coronavirus-19, we are taking the following actions:

- We are canceling all BHS classes from today, March 17, through the remainder of the semester.
- We are postponing our April 21st Annual Meeting. We will reschedule it sometime before June 30, 2020 and will hold it remotely if necessary.
- We are canceling our May 7th 20th Anniversary Celebration event. We look forward to rescheduling it another time.
- We are canceling our May 13th Group Leaders Luncheon.

We deeply regret these actions but out of our concern for the health and safety of members and a sense of responsibility for the broader public we have decided they are necessary.

We greatly appreciate the time and effort that each of our volunteer group leaders put into planning and preparing their spring courses. We also know how much BHS members were looking forward to these courses and realize there are a handful of members who haven't yet attended any of their spring classes. If those of you who haven't attended any spring classes would like a refund, please contact Judy Tedeschi by email at info@beaconhillseminars.org and we will happily issue you a refund.

During the next few weeks, we will be exploring the possibility of testing some limited on-line programming for those who may be interested in participating. We will inform you of developments in that regard in the coming weeks.

Finally, our office will be closed for the next few weeks. If you have any questions or concerns, please email the office at info@beaconhillseminars.org as Judy will be monitoring and responding to all emails remotely.

We wish you well in the difficult period ahead and we look forward to following up with you soon.

President
